

INSTALLATION INSTRUCTIONS

IMPORTANT SAFETY PRECAUTION

- +Do not overload umbrella wrapper machine with umbrella bags.
- +Use a maximum of one pre-packaged 1000 ct. supply pack per machine.
- +Use only standardized umbrella bags designed for RainSafe.
- +Place umbrella wrapper on a level surface while loading and operating..

HOW TO LOAD THE UMBRELLA BAGS

1. Open the top cover of the umbrella wrapper. Unscrew then pull out the guide bracket.
2. Remove the zipties from the bag-holding bracket. Insert bag hanger into the guide bracket.
3. Move the bags toward the back of the guide-bracket, then remove the bag-holding bracket. Insert the assembly back into the machine.

HOW TO PREPARE UMBRELLA WRAPPER FOR USE

4. Slide the first bag into delivery position, ensuring the flat spring is positioned inside the first umbrella bag.

POP-UP PANEL USER INSTRUCTION DISPLAY

5. Mount the Pop-Up Panel on the top cover. Use the holes at the rear of the cover to attach the display using the nuts and bolts supplied.

WARRANTY INFORMATION

RainSafe provides a warranty for its RS1000 and RS2000 umbrella wrappers against any defects in material or workmanship for a period of one year from the date of original purchase. This shall not apply if the product has been damaged due to abuse, misapplication, accident, or as a result of service or modification not approved by RainSafe.
